PART V
REMOVAL OF NAME FROM REGISTER OR ROLL

42. (1) Where in relation to a person registered or enrolled under the Act (in this Part of these Regulations referred to as “the respondent”) an allegation is made to the Council as to any of the matters mentioned in paragraphs (a), (b) and (c) of subsection (1) of section 11 of the Act, the Registrar, after making such further inquiries relative thereto as he thinks necessary, shall lay the matter before the Disciplinary and Penal Cases Committee of the Council (hereinafter referred to as “the Committee”), who shall, except where they decline to proceed, report thereon to the Council.

   (2) The Committee may at any stage of the case take the advice of counsel and attorney appointed by the Council, and may instruct him to obtain proofs of evidence in support of the allegations against the respondent, and may, in such cases as they think fit, decline to proceed with the matter unless the evidence in support of the charge (other than evidence of a conviction) is verified by statutory declaration.
(3) Where it is reported by the Committee and it is proved to the Council by the certificate of a competent officer of the criminal court in which the criminal proceedings took place that the respondent has been convicted of a felony or of any misdemeanour and has been sentenced to a term of imprisonment, and that such conviction has not been subsequently quashed on appeal, the Council may forthwith and without further inquiry direct the Registrar to remove the name of the respondent from the register or roll, as the case may be.

(4) In any case in which the Committee decide to proceed, they shall invite the respondent to furnish any written statement or explanation which she may desire to offer, and shall consider such statement or explanation. Where in such a case the Committee decide that a prima facie case is made out for the removal of the respondent’s name from the register or roll, they may direct the Registrar to arrange a hearing of the case before the Council and may direct counsel and attorney to take all necessary steps for verifying the evidence to be submitted to the Council and for obtaining the necessary documents and the attendance of witnesses.

43. (1) Where the Committee decide that a case should proceed to a hearing the Registrar shall send to the respondent a notice in writing, specifying the nature and particulars of the charge against her, and informing her of the time and place of the meeting of the Council at which the case will be heard. Such notice shall be sent by registered post to the registered address of the respondent contained in the register or roll, or, if the Registrar has reason to believe that that address is not her permanent address, then to any later address which may be known to the Registrar, and shall be posted so as to allow at least twenty-one days to elapse between the day on which the notice is posted and the date fixed for the hearing.

(2) Where there is a complainant the Committee shall send him a copy of the notice of inquiry under paragraph (1) of this regulation.

(3) Any party to the inquiry may be represented at the hearing by counsel and attorney and the respondent may be represented by a friend:

Provided that if any party intends to be represented by counsel and attorney not less than seven days’ notice of such intention shall be given to the Registrar.
44. At the hearing of the case, the counsel and attorney, Registrar or other person appointed by the Council for the purpose, shall first state to the Council the charge alleged against the respondent and the facts of the case, and shall then submit to the Council the evidence in support of the charge, and the respondent or her representative shall be entitled to cross-examine any witness appearing against her.

45. When the statement of the charge and the evidence in support thereof are concluded, the respondent or her representative shall be invited by the Chairman to address the Council and to tender evidence in answer to the charge and the counsel and attorney, Registrar or other person appointed by the Council for the purpose, shall be entitled to cross-examine any witness giving evidence for the respondent, and to reply upon the whole case, after the respondent or her representative has replied.

46. If the respondent does not attend either personally or by a representative, the Council may proceed to hear and determine the case in her absence.

47. (1) Upon the conclusion of the case, the Council shall, after consideration of the relevant evidence, pronounce its decision either forthwith or at a later date in writing or at a subsequent meeting.

(2) The Registrar shall forthwith inform the respondent by registered letter of the decision of the Council.

48. Where the Council directs that the name of the respondent be struck off the register or the roll, the Registrar shall notify the Statutory Nursing Authority in any country in which the Council is aware that the respondent is registered or enrolled as the case may be, under the laws of that country.

49. Where the Council receives a notification from any Statutory Nursing Authority that the name of any person registered or enrolled by such Authority has been removed from the register or roll of such Authority and that such person has been guilty of a felony or misdemeanour or of any misconduct, and that person is also registered in any part of the Register of Nurses or in the Register of Midwives, or enrolled in the Roll of Clinical Nurses, the Registrar shall inform the person by
registered letter that the Council has received such notification and shall inquire of her whether she desires to show cause why her name should not also be removed from the register or roll. If no answer is received by the Registrar within twenty-eight days after the dispatch of such letter, or after such longer period as the Council may allow if it is satisfied that there is sufficient reason for an extension of time, or if the person replies that she does not desire to show cause as aforesaid, then the Council shall at its next convenient meeting direct the Registrar to remove the person’s name from the register or roll. If the person replies that she does desire to show cause as aforesaid, the Registrar shall lay the matter before the Committee. The Council and the Committee shall thereupon proceed to deal with the matter by way of rehearing under this Part of these Regulations as if the complaint had been originally made to the Council. The action of the Council shall in due course be notified to the Statutory Nursing Authority from whom the notification as to the removal of the person’s name from the register or roll of that Authority was received.

PART VI
RESTORATION OF NAME TO THE REGISTER OR ROLL

50. (1) Where the name of a nurse has been struck off the register or roll under Part V of these Regulations, any application for its restoration to the register or roll shall be made in writing addressed to the Registrar and signed by the applicant, stating the grounds on which the application is made.

(2) The application shall contain the names and addresses of three or more persons able and willing to identify the applicant and give evidence as to her character, and nature of her employment both before and since the date of the removal of her name from the register or roll and such other evidence as the Council may require.

(3) Not less than two of the persons mentioned in paragraph (a) of this regulation shall belong to one or more of the following categories, namely —

(a) justices of the peace;
(b) ministers of religion;
(c) registered medical practitioners;
(d) registered nurses.

(4) The Council may require the applicant to verify by a statutory declaration any statement made in her application, or any further statement which it may think necessary, and may, if it thinks fit, require the applicant to attend in person at a meeting of the Council, or of any Committee of the Council at which the matter is to be considered.

51. If upon consideration of the application and of the evidence furnished in support of it, the Council is satisfied that the name of the applicant should be restored to the register or roll, it may direct the Registrar accordingly, and, upon payment by the applicant of a fee of ten dollars, her name shall be restored to the appropriate part of the register or roll and a new certificate of registration or enrolment shall be issued to her.

52. In the event of the restoration of the name of a person to the register or roll under this Part of these Regulations, notification of the fact shall be forthwith sent by the Registrar to every Statutory Nursing Authority to which a notice was sent pursuant to regulation 48 of these Regulations when that name was removed from the register or roll, as the case may be.

53. (1) Where the Council receives a notification from a Statutory Nursing Authority that they have restored to their register or roll the name of a person whose name they had removed from their register or roll, and the name of that person was removed from the Register of Nurses or of Midwives or the Roll of Clinical Nurses, the Registrar shall lay the matter before the Disciplinary and Penal Cases Committee of the Council. The Committee shall then consider the matter, and if necessary make inquiries and report to the Council, which shall, if it thinks fit, having regard to all the circumstances at its discretion, likewise restore the name of such person to the register or the roll, if she applies under and conforms to such of the provisions of this Part of these Regulations as the Committee or Council shall require.

(2) The Registrar shall, as soon as may be after the Council restores the name of a person to the register or roll under paragraph (1) of this regulation, notify the fact of
such restoration to the Statutory Nursing Authority in any country in which the Council is aware that such person was registered or enrolled, as the case may be, under the laws of that country.
