AIRPORTS

LIST OF AUTHORISED PAGES

1 - 18 LRO 1/2010

ARRANGEMENT OF SUBSIDIARY LEGISLATION

SECTION 7

Airports (Customs Duties and Excise Tax Exemption) Regulations

CHAPTER 328C

AIRPORTS (DUTIES AND TAX EXEMPTION)

S.I. 20/2009

AIRPORTS (CUSTOMS DUTIES AND EXCISE TAX EXEMPTION) REGULATIONS

(SECTION 7)

[Commencement - 28th January, 2009]

Citation and commencement.

1. (1) These Regulations may be cited as the Airports (Customs Duties and Excise Tax Exemption) Regulations.

(2) These Regulations shall come into operation on the 28th day of January, 2009 and shall expire on the 31st day of December, 2014.

Exemptions.
First Schedule.

2. The items mentioned in the First Schedule which are used for the purposes of building materials as defined in the Act shall be eligible for customs duties and excise tax exemption.

Application Form.

3. The approved developer, applying for an exemption of customs duties and excise tax for building materials as defined in the Act shall make application pursuant to the form specified in the Second Schedule.

Second Schedule.

FIRST SCHEDULE*(Regulation 2)***CONSTRUCTION MATERIALS**

Description	Estimated quantity
	[] TICK WHERE APPLICABLE
Earthwork (granular sub base)	
Termite Control	
Concrete Formwork	
Reinforcing	
Mesh	
Rods	
Cast in Place Concrete (inc. waste)	
Control & Expansion Joint	
Extend Existing Elevator Shaft & Base	
Housekeeping Pads/Bases/Curbs/Depressions	
Concrete Curb	
Concrete Curb 8" x 16"	
Concrete Curb 6" x 16"	
Concrete Hardener	
Unit	
Masonry	
Stonework-facing stone	
Structural Steel (inc. waste)	
Metal Decking	
Metal Fabrications	
steel exit stair from fixed links	
steel exit stair and rails Level 1 to Apron	
steel exit stair and rails Level 2 to Apron	
steel main stair to Level 2	
steel baggage stair to Level 2	
steel interstitial stair to Level 2	
stair rails to Level 2 concrete stairs	
lightweight metal structure as canopy and	
monitor support over check-in counters,	
overall width 15 '0" x 12 lbs./sq. ft	
stainless steel base	
with metal structure as canopy & monitor	
support over check-in counters	
stainless steel column protectors	
360 degrees	
270 degrees	
180 degrees	
stainless steel handrails	
stainless steel balustrade supports	

stainless steel glass partition supports
stainless steel glass insert channel
1 1/2 diam. anodized aluminium rail
handrail support
protection bollards
loading dock rails
baggage conveyor/piers protection rails
miscellaneous embeds, plates, etc.

Rough Carpentry

softwood blocking, framing and backing

Finish Carpentry

vanity
architectural feature wall paneling, 8'
wood slat ceiling panel
vertical wood slat ceiling panel
vertical wood slat to retail sign band 30" ht.
vertical wood slat to wall panel at rear
col. locations, retail units, 60" x 108"
vertical retail sign band-plastic lam on GWB/MDF 30" ht.
horizontal retail sign band canopy 30" wd.
box section 18" deep x 9" wd. to each side
of structural steel columns 144" ht.
retail demising cap; steel std. w/tempered
glass sign box each side & framed in plastic
lam. clad plywood, 30" x 108"
retail demising cap; steel std. frame w/MDF
on all sides, clad w/plastic lam., inc. temp.
glass panel c/w vinyl graphic appliqué
wood trellis for food court
food court perimeter barrier

Insulation

thermal insulation to soffits

Fire Protection

to partial roof soffit, Pier C
columns
materials for fire protection repairs on existing structure

Cladding

painted cementitious panels w/Hardie
Artisan Matrix system and rain screen
cementitious panels w/Hardie Artisan
Matrix system
Teflon canopy and framing
matching sheet metal fascia wrap
ribbed metal cladding w/hat track,
insulation and air barrier system

Membrane Roofing

60 mil TPO fully adhered memo Roof sys.

w/7/16" OSB underlay, R20 polyiso combo
board insulation in two layers mecho fas./
Carlise or equal
roof cricket & membrane in barrel valley
roof drain @ bottom of cricket
parapet cap flashing & membrane
roofing cover to trellis & walkways

Doors & Windows

Exterior

metal door c/w frame, hardware & paint-sgl
metal door c/w frame, hardware & paint-pr
1 1/2 hr, meal door c/w frame, hardware & paint-sgl
1 1/2 hr, metal door c/w frame, hardware & paint-pr

Interior

metal door C/W frame, hardware & paint-sgl
metal door C/W frame, hardware & paint-pr
1 1/2 hr, metal door c/w frame, hardware & paint-sgl
1 1/2 hr, metal door c/w frame, hardware & paint-pr

Special doors

roller shutter doors
cell doors (Royal Bahamian Police)

Entrance & Store Fronts

Exterior

pair, fully glazed entrance doors c/w hardware
pair, fully glazed automatic
sliding entrance doors c/w hardware
US-check-in hall
pair, fully glazed automatic sliding entrance
doors c/w hardware-various locations

Interior

pair, fully glazed entrance doors c/w
hardware
pair, fully glazed entrance doors, c/w hardware
to swing gate partitioning
pair, fully glazed automatic sliding entrance
doors c/w hardware-various locations
vestibule glazing

Aluminium windows

interior view panel, vision glass
interior view panel vision glass (Royal Bahamian Police)
interior view panel, one way glass
cashier window

Glazing

glass balustrades
Level 1 glass screen, 12 '0" ht.
Level b/w CBS PIL & central
vertical core

-
- 9' 0" glass screen
 - swing gate glass partitioning, Level 2
 - extra over swing gate 12'0"
 - hor. Translucent Kalwall to floor opening
 - structural support to Kalwall
 - Window & Curtain Wall System
 - frameless glazing w/liquid sealed joints
 - terminal glazed wall in barrel arc
 - motorized operable window, interlock curtain wall system
 - Kalwall glazing & frames
 - structural support and reinforcing systems
 - caulking
 - Finishes
 - GWB 4" steel std. furring w/1/2"
 - GWB & insulation
 - Exterior partition assembly
 - 6" steel studs, w/one layer GWB ext. shtg,
 - z-bar, 3" rigid insulation @
 - one layer GWB internally
 - 6" steel studs, w/glass batt
 - insulation, one layer GWB each side
 - exterior soffit support sys., 2 1/2"
 - steel std. w/hangers & bracing
 - extra GWB for high impact
 - Interior partition assembly
 - 6" steel studs, one layer GWB
 - 6" steel studs, w/one layer GWB one side
 - 6" steel studs, one layer GWB & batt insulation
 - 6" steel studs, w/glass batt insulation, one
 - layer tile backer board, one side GWB
 - 6" steel studs, w/one layer GWB each side
 - 6" steel studs, w/one layer GWB each side
 - w/batt insulation
 - 6" steel studs, w/glass batt insulation,
 - one layer tile backer board, one side & GWB one side
 - 6" steel studs, w/glass batt insulation,
 - one layer tile backer board, one side &
 - GWB one side w/batt insulation
 - 6" steel studs, w/one layer tile backer board each side
 - 6" steel studs, w/one layer tile backer
 - board each side w/batt insulation
 - 6" steel studs, w/6" batt insulation, one side
 - GWB over 3/4" plywood & one side GWB
 - Rated Partitions
 - 1 hr. rated, 6" steel std. w/batt insulation,
 - & one layer GWB type X each side
 - 1 hr. rated, 6" steel std. w/batt

insulation & two layers GWB type X on one side,
tile backer board on the other
2 hr. FRR steel studs, batt insulation
2 layers GWB
1/2" type X on each side
2 hr. rated shaft wall assembly, C- T studs,
7/8" shaft liner & one side
3 layer GWB type X
2 hr. rated shaft wall assembly, C-T studs,
7/8" shaft liner & one side
3 layers 1/2" GWB type C
gypsum board ceiling
gypsum board ceiling w/plywood
bulkhead, 24" deep
bulkhead, 36" deep
bulkhead ceiling, 24" girth
bulkhead ceiling 48" deep
other bulkhead ceiling
Glass Fiber Reinforced Gypsum
Column covers
36" diameter
14' 0" ht.
16' 0" ht.
24' 0" ht.
finish
Tile porcelain floor tile
porcelain tile to stairs
porcelain tile to stairs to Level 1-4" wd.
treads
risers
landing
porcelain tile to stairs, 1- 7" wd.
porcelain tile to stairs, 1-8" wd.
specialty flooring
porcelain floor tile w/anti-slip
wall tile
Acoustical Treatment
2 '0" x 4 '0" acoustic ceiling tile
Armstrong ceiling system
Resilient Flooring
VCT flooring
anti-fatigue k
anti-fatigue mat
Carpeting
Painting
exterior paint to metal deck
exterior paint, general

- interior paint, general
- gypsum ceilings & walls doors & frames
- extra paint for high impact painting to steel frame where req.
- line painting baggage system areas
- miscellaneous painting
